*You will be responsible for paying for your own shipping costs, including when you return an item to us and when we ship a replacement or exchange item to you. We do not refund shipping costs unless (1) we shipped the wrong item, (2) we failed to ship your order at all, or (3) something was damaged in transit or damaged upon arrival. If you receive a refund, we will refund the cost of the item plus tax, but not the original cost of shipping. Depending on where you live, the time may take your exchanged product to reach you, may vary. When shipping items, you should consider using a trackable shipping service; we do not guarantee that we will receive your returned item.*
